Letter from *the CEO*

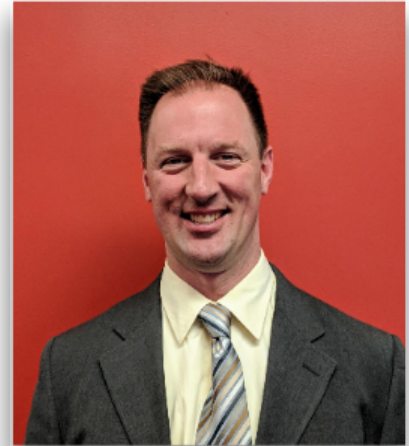

Dear Valued Member,

Sixty years ago, seven members of the Actors' Equity Association decided to start a credit union for actors. Founded on the principle that financial security should extend to actors, too, Actors Federal Credit Union has given artists and performers the financial foundation they need to help them realize their dreams.

We are proud of what the Actors Federal Credit Union has accomplished over the last six decades and we look forward to continuing to **financially empower members of the creative community.**

Yours in service,

Daniel Czerniawski
President & CEO
