LETTER FROM THE CEO

Dear Valued Member,

Happy Spring! As a new season comes into full bloom, it's a reminder of how this past year has been one of reemergence and resilience, as the world continues to return to a pre-pandemic setting.

Accordingly, we have remained a valuable resource to **financially empower our membership**. Unlike several large banks we recently witnessed shut down, Actors Federal Credit Union is healthy, profitable and has more capital than ever.

Something else we've witnessed in recent months is the ongoing trend of debit card fraud happening nationwide. Please know that we are continually exploring and adopting new technologies and systems that will help defend against these types of attacks now and in the future.

As we work to improve our technologies, we are also focused on bulking up our staff. We recognize that our members need us to be available and accessible. We've made it a priority to build a strong, united management team and strengthen key departments like member services and call center. We have ultimately doubled these departments in size. We have already begun to see a positive difference, specifically with member communications, and will continue to make strides in this area.

Thank you for your support and loyalty, as we stay the course to work on improving our member experience!

Yours in Service,

Daniel Czerniawski
President & CEO

PASL Sponsorship

This year, we are continuing the proud tradition of sponsoring the Performing Arts Softball League. The ActorsFCU team has now been part of the league for over a decade!
