## LETTER FROM THE CEO

Dear Valued Member,

Happy Winter and welcome to 2023! As we usher in the new year, we look forward to furthering our efforts to **financially empower the creative community**. One way we hope to foster our mission is by offering you competitive products that will put more funds in your pocket. With our eMax\$ Money Market account, earn a higher rate of return for using more services. [Learn more!](#)

Your security remains our top priority! Debit card fraud continues to impact many financial institutions nationwide. However, we must remain vigilant in monitoring our accounts. We encourage you to use our CardNav tool, which enables you to be alerted of any charges - authorized or unauthorized - and manage accordingly.

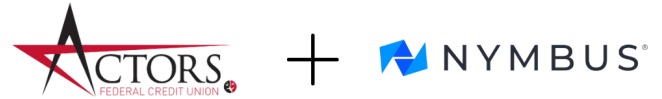

Part of empowering our members is investing in technology that will help us better support and serve you for years to come. So to start the year, we had our kickoff meeting to begin our core conversion project. This will improve account opening, loan processing and member servicing overall. While there is a great deal of work ahead, we are looking forward to what it will bring to our membership experience in the future!

Yours in Service,

**Daniel Czerniawski**  
President & CEO
