Protect Yourself Before You Leave for Vacation

- + Call Us to Initiate "Authorization Block Bypass"
- + Confirm Your Current Phone Number & Email

One of the ways ActorsFCU protects you from fraudulent transactions on your ActorCash VISA Debit Card and Credit Cards is by monitoring card usage. If we see a charge outside your normal spending pattern or normal geographic area, the transaction may be denied and your card blocked until we can reach you to verify that the charges are yours. These are called "Authorization Blocks" and they are in place to protect you.

If you plan to travel, domestically or internationally, please contact us to initiate an **Authorization Block Bypass**. By informing us of your travel plans, including destinations, dates, and phone numbers — especially your cell phone number — so we can reach you, you'll minimize the chances of having your card denied or limited while travelling and avoid unnecessary inconvenience. Call Member Services at 212.869.8926, option 6, or email them at mservices@actorsfcu.com.

Our goal is to provide you with the best service we can and to protect your assets, but we need your cooperation to do that. Thank you for helping us to help you.
