

## eZ Saver Enrollment

**It may only seem like “pocket change”, but over time it can add up to big savings.**

Automatically add your “pocket change” to your designated account every time you make a purchase with your ActorCash VISA Debit Card.

When you enroll in ActorsFCU’s FREE eZ Saver program, the amount of any purchase posted to your account (made by you and all joint account holders) is rounded up to the next whole dollar, and the difference is transferred into the account you select below. The additional amount will appear in your account near the end of the business day as a separate line item.

**Example:** You make a purchase for \$32.17; rounded up to \$33.00 with \$0.83 going into your designated account.

It is easy to keep track of your savings/donations. Just round up the transaction amount in your checkbook each time you make a purchase. Your monthly bank statement will reflect these as “Transfer Out” transactions. Donations made to Broadway Cares/Equity Fights AIDS will be tracked and you will be provided a letter from ActorsFCU at the end of the year.
